joankinzer@outlook.com

Don grew up at Grace Church, which his parents, Ernest and Leta Kinzer, helped to start. Don & Joan worked to help US churches establish Word of Life Clubs as their church's youth ministry. WOL seeks to help young people establish habits of Christian discipline at a young age. Their ministry with WOL lasted 47 years before they retired in 2014, when they moved from North Carolina to Texas to be near one of their daughters' family.
